

Lionbridge

Lionbridge Connector for Drupal 8 TMGMT

Version 2.3

Release Notes

June 19, 2019

Overview

Welcome to the Lionbridge Connector for Drupal 8 TMGMT (Connector). This Connector enables you to automate sending and retrieving content from Drupal 8 TMGMT to Lionbridge for translation, which dramatically reduces the effort required to create, maintain, and publish Web content in multiple languages.

Note: A separate Lionbridge Connector is available for Drupal 7 TMGMT.

How to Contact Lionbridge Connector Support

Telephone: +1-416-363-0888

You can submit a support ticket either:

What's New?

In the **Add Provider** page, after selecting **Lionbridge Content API Connector** in the **Provider plugin** dropdown list, entering user credentials, and clicking **Connect**:

- You can now select a default translation provider in the new **Provider configuration** dropdown list. This translation provider will be displayed by default when users send content out for translation.
- You can use the new **Allow provider overrides** check box to determine whether users can change the translation provider when submitting jobs.
